

E-DUCA

ASSOCIATION

Vision & Mission

The E-duca Association established to promote education in Israel and around the world.

Our Vision is to implement the best educational methods from around the world for everyone.

Our Main Goals are: To create educational and social projects, Establishing Child care centers, Provide Academic Study, Creating Development Education materials.

Projects

Education Study

Problem-1. in our times here in Israel there is no Montessori Study . 2. Many Visitors and New immigrants in Israel with no information or understanding about the Tanach.

Solution- 1.E-duca brings the AMI Montessori method as a study for career. Courses, Diploma Study. 2. E-duca Initiate Israeli Cultural Community events, Tanach Lectures and study groups.

Goal- 1. AMI Montessori Training for early childhood , in 2018-2020 over 100 Montessori Teachers.

2 2018-2020 To Establish a study center in Jerusalem .

Child care Center

Problem- The early childhood centers 0-3 in Israel is with no Supervision. There for not a proper educational institutions.

Solution- E-duca Establish already a child care center in Hod Hasharon with the concept of quality education- Montessori, mehtod Designed proper environment and healthy organic food.

Goal- To establish more E-duca child care centers , 5 centers between the years 2019-2021 Israel.

Social Projects

E-duca Members creates together social projects, community events, volunteering and meetings to share knowledge and make contacts worldwide !

We work with the AMI Association Montessori international
